

One of the metaphors used in the New Testament for the church is that it is the body of Christ. Jesus is described as being the head of the body. The Prayer Chain Ministry can be described as the circulatory system of the body.

Our Prayer Chain Ministry is the life blood of the congregation...a gift given, expecting nothing in return.

Our Prayer Chain Ministry

Is a network of faith filled people who receive prayer requests.

This ministry has been in practice since March of 2007. Our purpose and commitment is to faithfully intercede on behalf of others in times of emergency or special needs. The Prayer Chain Ministry would like you to know that we are here for you and your family. Everyone is invited to utilize this gift of intercession. The Lord said that it is good to love one another and to share each other's burdens. When you ask for prayer, you are blessing all of us who pray for you by allowing us to share your burden.
