I am already a volunteer for my parish in the following area(s):

On behalf of Fr. Carmelo and St. Charles Borromeo's Parish Council, we thank you for responding to the **Step Up and Serve** Time and Talent Commitment. The light and life of our parish truly depends on the giftedness of our parish members. **God bless you for stepping up!**

The Next Steps:

1. **Take this card home with you to complete.**

You can find the volunteer booklet on our parish website:

www.scbmil.org

or - if you don't have computer access, take one of the printed booklets found at the entrances to church.

Not sure what you want to do? Check here and a Parish Council member will call you and talk more in depth about the different opportunities to help at your parish!

2. **Bring the card back next weekend.** We'll have our Step Up ladder in the Gathering Space and a basket where you can place your completed form. We'll have extra forms on hand, in case this one is misplaced.
3. Parish Council members will gather all the information and contact our ministry staff and commission members so that you can be linked to a current volunteer and begin your volunteer internship in **January** or **February of 2012**.
4. Your volunteer "partner" will contact you and arrange a time and place to meet and begin your volunteer service.
5. A Parish Council member will call you to see how your Step Up experience is going.

NOTE: *Second Step Commitment volunteers will be contacted by the parish staff member heading the Commission.*
